is good news for those of us who have had to pony up ridiculously high fees for substandard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start.

MSI files are packed in an archive-like format, so you can actually extract the contents with a file unzip utility like 7-Zip. If you have that or a similar program installed (most of them work similarly), you can right-click the MSI file and choose to open or extract the file to see all the files that are stored inside.
