The study of the earliest periods in Islamic history is made difficult by a lack of sources. For example, the most important historiographical source for the origins of Islam is the work of al-Tabari. While al-Tabari is considered an excellent historian by the standards of his time and place, he made liberal use of mythical, legendary, stereotyped, distorted, and polemical presentations of ...

The philosophy of education examines the goals, forms, methods, and meaning of education. The term is used to describe both fundamental philosophical analysis of these themes and the description or analysis of particular pedagogical approaches. Considerations of how the profession relates to broader philosophical or sociocultural contexts may be included.

The Writings of Thomas Jefferson, "Letterpress Edition," N.Y., 1892-1899 description ends i, 54). The Bill for Establishing Religious Freedom, though TJ declared he had drawn it in 1777, was probably not brought forward in these years from 1776 to 1779 because the intense fight over the question of a general assessment made it difficult ...
